

LINKEDIN · SLIDE STORY

DROP HSF PHOTO HERE

17 Years. One Mission.

Seventeen years of purpose, carried by many hands - teachers, doctors, health supervisors, volunteers, students, guardians, partners, and communities who have quietly given their time, trust, and belief to keep this journey moving forward.

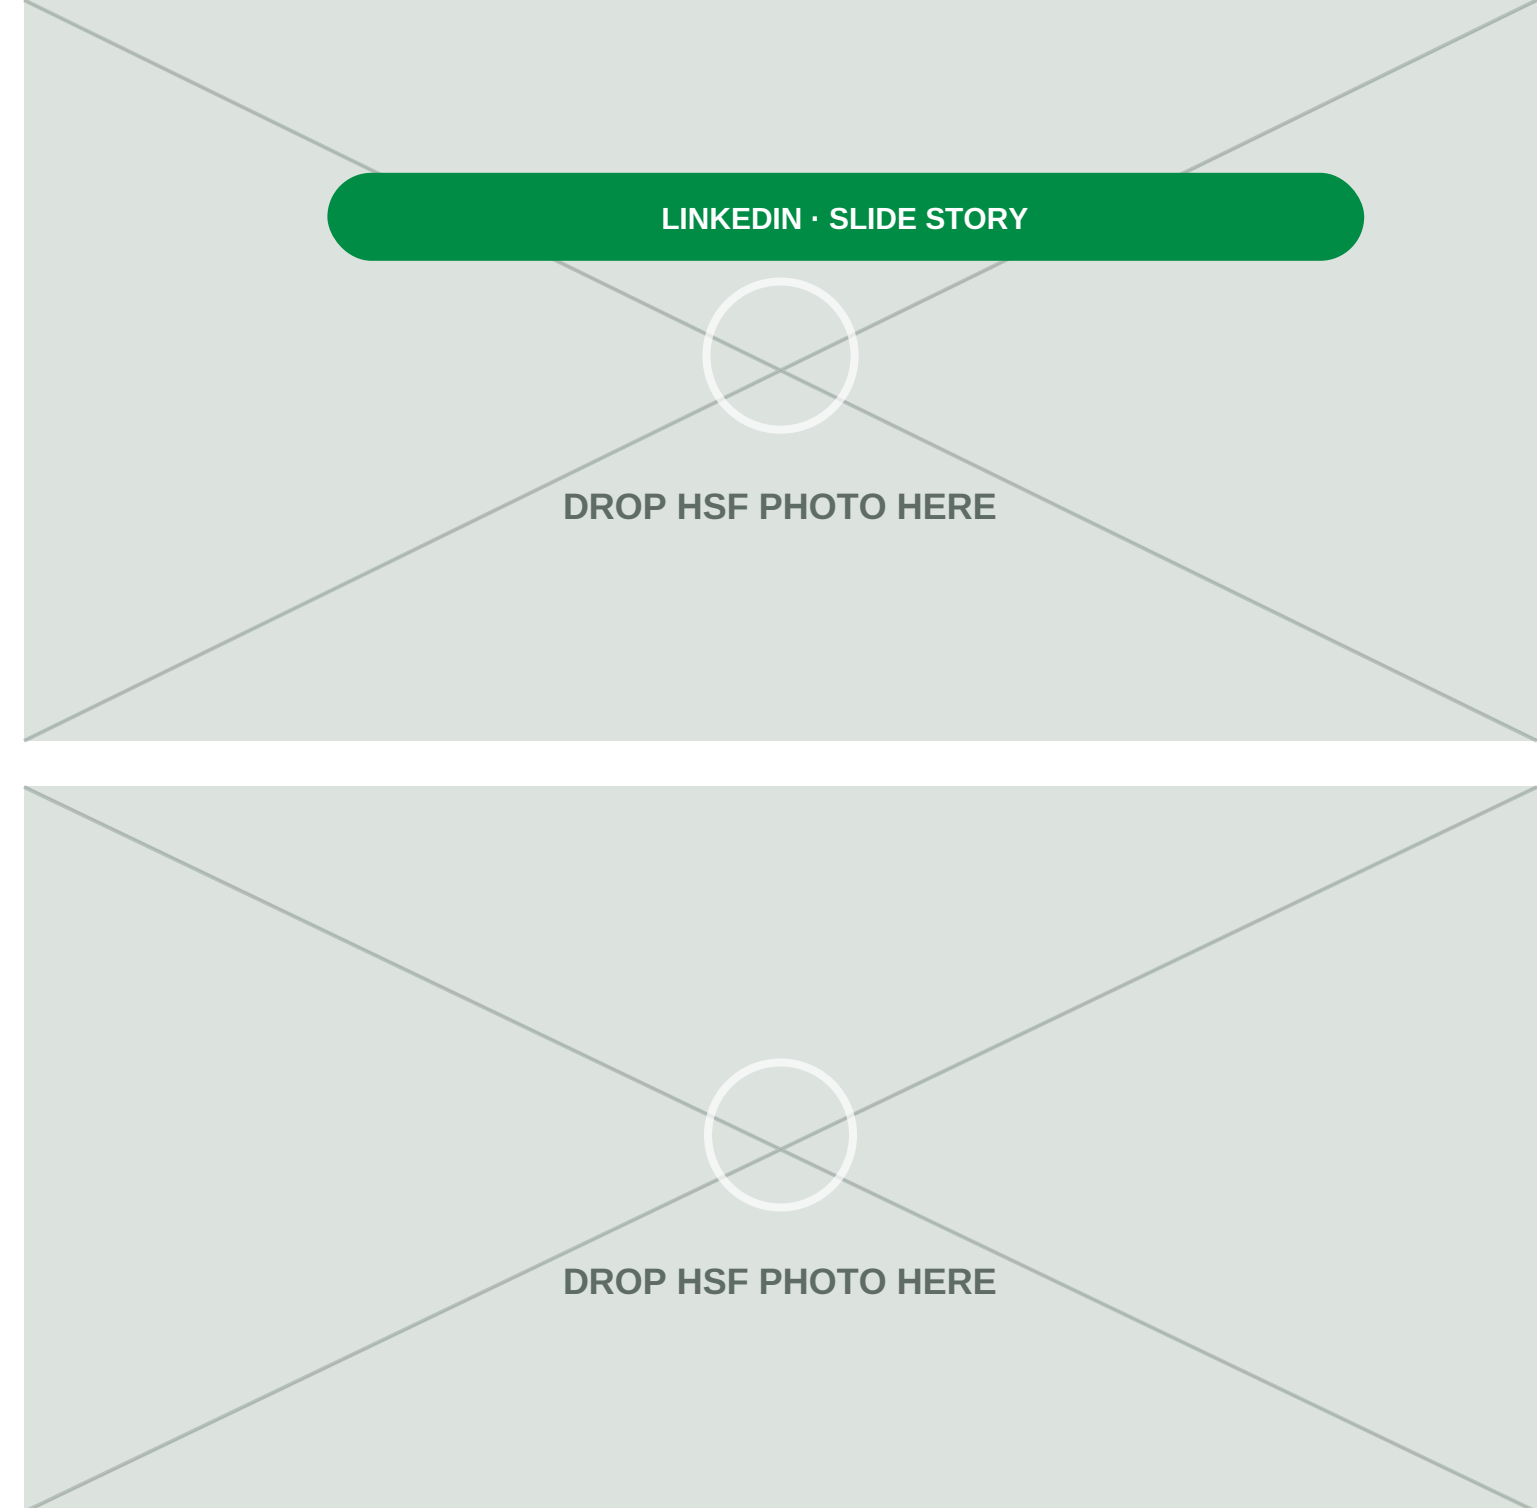

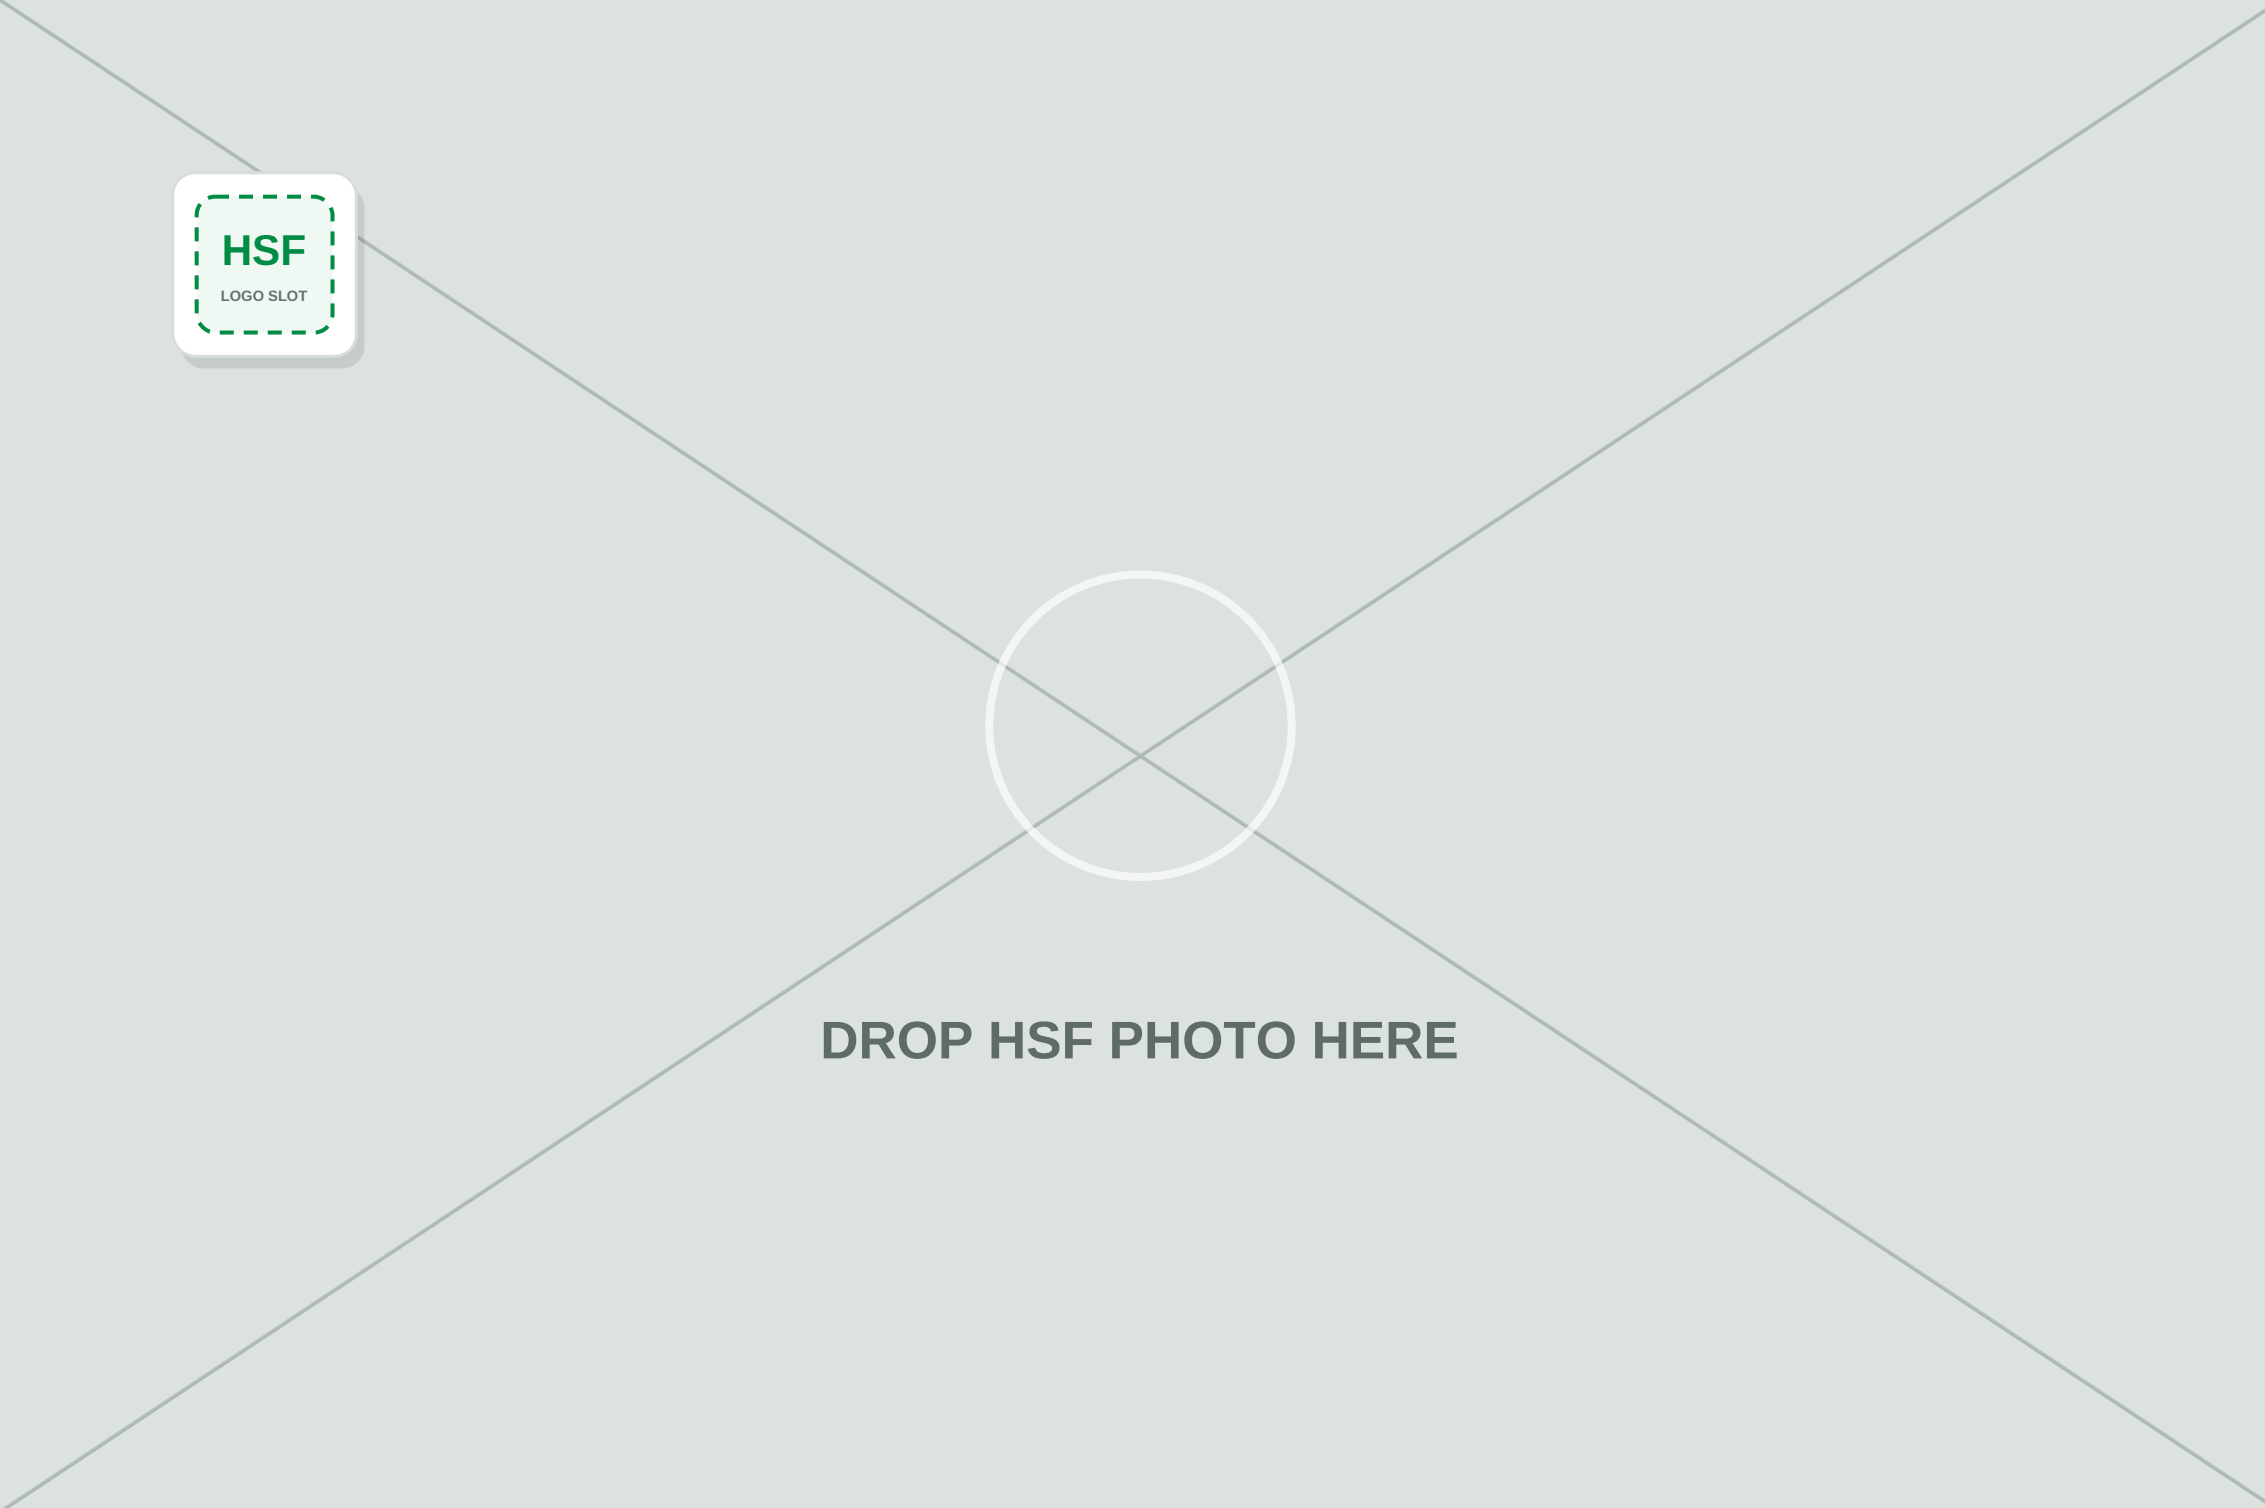

Where we began

Seventeen years of purpose, carried by many hands - teachers, doctors, health supervisors, volunteers, students, guardians, partners, and communities who have trusted, and belief to keep this journey moving forward.

Human Safety Foundation

Always we are...

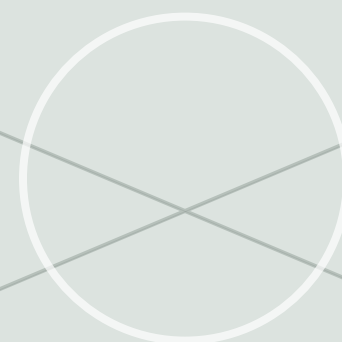

Many hands

Seventeen years of purpose, carried by many hands - teachers, doctors, health supervisors, volunteers, students, guardians, partners, and communities who have quietly given their time, trust, and belief to keep this journey moving forward.
